

PRODUCT SPECIFICATIONS

VL-38 Vertical Lifeline Systems

Product Description:

FrenchCreek's VL-38 cable climbing system offers an innovative solution for vertical climbing that is easy to use and requires minimal maintenance. The system's stainless steel construction stands up to the elements for extended periods of time, allowing permanent installation.

Product Features:

- Includes top and bottom bracket with cable tensioner
- 3/8 galvanized wire-rope life line
- Rung clamps for up to 1-1/8" diameter
- Minimal maintenance Required
